Snakes, grizzlies, a missing dad, a menacing drone... Carl Hiaasen delivers a wickledly funny, slightly subversive tale in his latest New York Times bestseller. Some facts about Billy Dickens: * He once saw a biker swerve across the road in order to run over a snake. * Later, that motorcycle somehow ended up at the bottom of a canal. * Billy isn't the type to let things go. Some facts about Billy's family: * They've lived in six different Florida towns because Billy's mom insists on getting a house near a bald eagle nest. * Billy's dad left when he was four and is a total mystery. * Billy has just found his dad's address--in Montana. This summer, Billy will fly across the country, hike a mountain, float a river, dodge a grizzly bear, shoot down a spy drone, save a neighbor's cat, save an endangered panther, and then try to save his own father.
