## Mind, Heart, and Soul: Intellectuals and the Path to Rome Book Content Preview:

In a series of fascinating interviews, a cradle Catholic (Robert P. George) and an adult convert (R. J. Snell), offer the stories of sixteen converts, each a public intellectual or leading voice in their respective fields, and each making a significant contribution to the life of the Church. Mind, Heart, and Soul is a Surprise by Truth for a new generation. It will reinvigorate the faith of Catholics and answer questions or address hurdles those discerning entering the Church may have by people have had the same questions and the same road.. While some of the converts are well-known, their stories are not. Here they speak for themselves, providing the reasons for belief that prompted these accomplished men and women to embrace the ancient faith.. Included are interviews with a bishop, a leading theologian and priest, a member of the International Theological Commission, a former megachurch pastor, a prominent pro-life scholar, professors from Harvard and other universities, as well as journalists and writers, novelists and scholars. Each are interviewed by another leading scholar, many of whom are themselves converts and familiar with the hesitations, anxieties, discoveries, and hopes of those who discover the Faith. . These conversion stories remind us that the Catholic Church retains her vitality, able to provide answers and reasons for hope to new generations of believers, always sustained by the Holy Spirit. It is all too-easy to become discouraged in our day and age, but God never fails to call people to Himself, as evidenced by these remarkable stories..
