## Dragon Age Library Edition Volume 2 Book Content Preview:

Journey to the world of Thedas in these canonical comics from BioWare and Dark Horse! Tessa and Marius are mercenary partners who eliminate those using magic to hurt others. When they betray a powerful patron intending to kill them, they're forced to flee and join the Inquisition. Later, they're taken captive during a mission and it's up to an unwitting agent to rescue them: elven squire Vaea, who's just arrived in Kirkwall for a lavish party thrown by Varric Tethras. A talented thief, Vaea takes on an easy side job . . . but when she chooses to change the terms of the deal mid-heist, she is entangled in this dangerous recovery mission that is surely above her pay grade. Featuring work by Greg Rucka, Nunzio DeFilippis, Christina Weir, Carmen Carnero, and Fernando Heinz Furukawa, this oversized hardcover edition collects Dragon Age: Magekiller #1-#5 and Dragon Age: Knight Errant #1-#5 and features creator commentary and behind-the-scenes material!
