Queer Eye: Love Yourself. Love Your Life. Book Content Preview:

From the Fab Five--the beloved hosts of Netflix's viral hit Queer Eye--comes a book that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. ...Feeling your best is about far more than deciding what color to paint your accent wall or how to apply nightly moisturizer. It's also about creating a life that's well-rounded, filled with humor and understanding--and most importantly, that suits you. At a cultural moment when we are all craving people to admire, Queer Eye offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. Above all else, Queer Eye aims to help you create a happy and healthy life, rooted in self-love and authenticity.
