## The Bronte Collection (Box Set): Boxed Set Book Content Preview:

Charlotte, Emily and Anne Brontë were not prolific novelists, but those that they did write have become some of the best-loved works in English literature. Collected together here are six titles, beautifully bound, that make the perfect introduction to the sisters' work. They include: Jane Eyre (448pp); Agnes Grey (192pp); Vilette (480pp); Wuthering Heights (272pp); The Professor (208pp) and The Tenant of Wildfell Hall (432pp). Moving from the wilds of Yorkshire to small-town France, these are tales of passion and romance.
